**Meeting Date:** May 16, 2022

### **Summary of Item:**

The Idaho Transportation Department requests three FY 2022 to FY 2028 TIP changes. The request includes renaming and dividing I-15 Pocatello to Idaho Falls (23346) and cost increases. The TIP amendment procedures require a Policy Board to approve an amendment where the cost increases by more than \$2,000,000.

Amendment 5 of the FY 2022- 2028 Transportation Improvement Program modifies the following projects:

**I-86 UPRR Bridge (22544)** – In FY 2022, increase construction cost from \$11,100,000 to \$14,600,000 in response to updated engineers estimate

**I-15 Pocatello to Idaho Falls (23346)** – Rename the project I-15 Northgate to Blackfoot Environmental. Modify the development cost \$2,500,000 in FY 2022, \$5,100,000 in FY 2023, and \$3,000,000 in FY 2024

**I-15 Northgate to Fort Hall (23579)** – The project was separated from I-15 Northgate to Blackfoot Environmental. Add \$4,850,000 in project development cost in FY 2023, and \$10,250,000 in FY 2024

The amendments do not require conformity determination.
