Amendment 1 of the FY 2023- 2029 Transportation Improvement Program adds two railroad crossing projects. Both the New Day Parkway Railroad Crossing (23954) and Chubbuck Road Railroad Crossing (23953) will update and improve the existing railroad crossing. The New Day project will also widen the crossing to accommodate the additional lanes added to the roadway.

The two projects are exempt from conformity determination per 40 CFR §93.126.

The Policy Board approved Amendment 1 on October 3, 2022.
